GOVERNMENT OF INDIA
YOUTH AFFAIRS AND SPORTS
LOK SABHA

UNSTARRED QUESTION NO:3141
ANSWERED ON:03.08.2017
Implementation of Sports Development Programmes
Gaikwad Prof. Ravindra Vishwanath

Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state:

(a) the details of works being undertaken under various Sports Development Programmes in the rural areas across the country;
(b) whether the Government proposes to launch any scheme for promoting sports among the poor children in the country and if so, the details thereof;
(c) whether the Government releases any grants for sports training in schools for the rural poor; and
(d) if so, the details thereof?

Answer

THE MINISTER OF STATE (INDEPENDENT CHARGE)
FOR YOUTH AFFAIRS & SPORTS
(SHRI VIJAY GOEL)

(a) to (d) Government under Khelo India Programme supports State Governments to promote sports at the grassroots level, including playing fields, model sports infrastructure and competitions.

Sports Authority of India (SAI) is already implementing the following Sports Promotional Schemes to scout and nurture sports talent in the age group ranging from 8-25 years to compete at National and International level competitions across the country:
? National Sports Talent Contest Scheme (NSTC)
? Army Boys Sports Company (ABSC)
? SAI Training Centre (STC)
? Special Area Games (SAG)
? Extension Centre of STC/SAG
? Centre of Excellence (COE)
? National Sports Academies (NSA)
Accordingly, SAI has established 10 Regional Centres and 02 educational institutions to implement the above sports promotional schemes in the country through 289 SAI sports centres. During the year 2016-17, 13684 talented sports persons (9653 boys and 4031 girls) were trained in 27 sports disciplines
The majority of the youth (sports persons) selected under the above schemes are identified from the rural, tribal and backward areas of the country. The selected trainees are provided with regular sports training in their respective sports discipline to excel at National and International level competitions.
However, the Special Area Games (SAG) Scheme of SAI is specially designed to scout talentfrom amongst the tribal, rural, coastal and far flung areas of the country and train them to achieve excellence in their respective sports discipline. During 2016-17, there were 19 SAG Centres across the country where 2000 sports persons (880 girls and 1120 boys) were being trained on residential and non residential basis.
Similarly, the Army Boys Sports Company (ABSC) Scheme which is a joint venture with Indian Army also identifies sports talent from the rural and tribal areas falling under their regimental centres. The trainees in the age group of 8-14 years are admitted in ABSC centres for regular sports training and most of them on having been found medically fit are enrolled in the Army on attaining the age of 17 Â½ years. As on date 1352 boys trainees are being trained in 24 Army Boys Sports Company (ABSC) centres across the country.
The selected trainees are provided with the facilities in the form of expert coaches, sports equipment, boarding and lodging, sports kit, competition exposure, educational expenses, medical/ insurance and stipend as per the approved scheme norms. Scheme-wise details of the financial norms applicable under SAI Schemes are annexed at Annexure - I.
